Opis nemovitosti

We are pleased to offer this duplex apartment on the second floor in a beautiful part of town, near the city center.

Within a 15 minute walk are all the tourist attractions, most of the town's best restaurants, the Palace, the Riva, the ferry terminal, markets and the superb Marjan Park.

The apartment consists of two floors, with a total living area of 155 m2.

On the first floor there is a hall, kitchen, dining room, living room, 3 bedrooms, bathroom, toilet and balcony.

On the second floor there is an atelier (studio) with terrace.

The apartment feels wonderfully spacious and light, but we feel is in need of some redecorating for it to meet its full potential.

This property could be used for letting to tourists, and/or private family living.

You can drive to the front of the property for deliveries etc. but longer term parking is at the rear of the property.

Please contact our office in Split to arrange to visit this property.
